

### **Technical Trainer**

[DNS/DHCP/IP Address Management, DNS Security]

#### **Company Overview: Efficient IP [[www.efficientip.com](http://www.efficientip.com)]**

EfficientIP is a global provider of the most advanced and comprehensive DDI (DNS, DHCP, IP Address Management) products available. EfficientIP's SMART DDI approach offers enterprises and service providers a unique appliance based solution to intelligently simplify and automate design, deployment and management of the critical DDI infrastructure.

SOLIDServer™ centralizes all information from the IP plan and DNS and DHCP servers in one single interface and gives customers a consolidated overview to control the deployment of infrastructures and network services (VoIP, Datacenters, etc.).

Efficient IP has built strategic relationships with a number of software and hardware market leaders to develop complementary solutions and to enable new offerings from partners. This includes Microsoft, VMware, OpenStack, Nutanix, Cisco, IBM, Hewlett-Packard, RedHat, ServiceNow, Tufin ...

Efficient IP's client base includes hundreds of the most demanding companies in all business sectors to include Vodafone, Airbus, IKEA, HSBC, Cap Gemini, HP, Netflix, STMicroelectronics and T-Mobile with an established presence in the USA, Europe and Asia.
